Types of Accounts; Price Changes; Payments; Refunds; Upgrading or Downgrading Your Plan.

RStudio allows you to use the RStudio Service, without charge, as is set forth under the free plan entitlements applicable to the RStudio Service (the “Free Plan”). You acknowledge and agree that with respect to the Free Plan, RStudio’s branding will appear with Your Applications or analyses. One person may not maintain more than one free account for each RStudio Service.

RStudio also offers paid plans under which you would be entitled to additional features and capabilities, subject to your payment of the applicable fees to RStudio when you place your order for a paid plan as set forth at <https://rstudio.cloud/plans/> or <https://www.shinyapps.io/> (a “Paid Plan”). The RStudio branding will not appear in Your Applications or analyses under a Paid Plan and Paid Plans may have additional features and functionality which are not available to you under the Free Plan as described in the plan entitlements applicable to your plan.

All fees for Paid Plans are exclusive of all Taxes. “Taxes” means any sales, use, GST, value-added, withholding, or similar taxes, customs, and any customs duties, charges, fees or levies, whether domestic or foreign, excluding taxes based on the income, employees or property of RStudio. You are responsible for payment of all Taxes unless you provide RStudio with a tax exemption certificate. If you are required by applicable law to withhold any Taxes from your payment, the fees payable by you will be increased as necessary so that after making any required withholdings, RStudio receives and retains (free from any liability for payment of Taxes) an amount equal to the amount it would have received had no such withholdings been made.

If RStudio is required to collect and remit Taxes pursuant to applicable laws, RStudio will include the Taxes payable by you on your invoice or on your receipt for your online order, as applicable. The amount of the Taxes will be calculated based on applicable laws. You acknowledge that the taxation of online transactions is continually evolving and that RStudio continues to monitor and update its taxation policies as those laws change. You agree to pay any Taxes that RStudio is required to collect and remit pursuant to applicable laws.

ALL PAID PLAN PURCHASES ARE FINAL AND NO REFUND WILL BE GIVEN FOR UNUSED PORTIONS OF YOUR INITIAL OR ANY RENEWAL PAID PLAN SUBSCRIPTION PERIOD.

If you upgrade from the Free Plan to any Paid Plan, we will immediately bill you using the credit card you have provided.

For monthly payment plans, the RStudio Service is billed in advance on a monthly basis and is non-refundable. For annual payment plans, the RStudio Service is billed in advance on an annual basis and is non-refundable. UNLESS OTHERWISE PROVIDED IN YOUR ORDER WITH RSTUDIO, ALL PAID PLANS WILL AUTOMATICALLY RENEW FOR SUCCESSIVE MONTHLY OR ANNUAL PERIODS, AS APPLICABLE, UNLESS YOU CANCEL YOUR ACCOUNT PRIOR TO THE RENEWAL DATE.

The RStudio Service will prorate subscription changes. If a subscription is upgraded or downgraded during a period, the prorated additional charges will be invoiced and charged immediately. Any prorated credits will be applied to future invoices. For subscription changes between different intervals, the billing cycle will be reset when the subscription is changed. Note that if we charge for the new plan, and that payment fails, the plan change will not go into effect.

Prices of all Paid Plans are subject to change upon 30 days notice from us; provided, however, that, if you are currently a Paid Plan subscriber, we will honor your existing Paid Plan price for the greater of the remainder of your subscription period or 90 days from the date of our notice. Such notice may be provided at any time by posting the changes to the RStudio website for the RStudio Service or as otherwise provided under the Notifications and Service Messages section below.

You are solely responsible for properly cancelling your account. You may cancel or downgrade your Paid Plan account by visiting your "Account" page and selecting "Downgrade" or "Cancel". Cancellation of a Paid Plan will downgrade your account to the Free Plan. The cancellation or downgrade of a Paid Plan will go into effect immediately. There will be no refunds or credits for partial months of service, upgrade/downgrade refunds, cancellation refunds, or refunds for months unused with an open account. In order to treat everyone equally, no exceptions will be made. Cancellation of your Free Plan will result in the deletion of all information and data from your account and such information and data cannot be recovered after cancellation of your Free Plan.

RStudio, in its sole discretion, has the right to suspend or terminate your account and refuse any and all current or future use of the RStudio Service, or any other RStudio Service, for any reason at any time. Such termination of the RStudio Service will result in the deactivation or deletion of your account or your access to your account, and the deletion of all information and data in your account. RStudio reserves the right to refuse service to anyone for any reason at any time.

Governing Law and Arbitration. Except for any disputes relating to intellectual property rights, obligations or any infringement claims, any disputes with RStudio arising out of or relating to the Agreement (“**Disputes**”) shall be governed by the law of the Commonwealth of Massachusetts regardless of your country of origin or where you access the RStudio Service, and notwithstanding of any conflicts of law principles and the United Nations Convention for the International Sale of Goods. Any Disputes shall be resolved by final and binding arbitration under the rules and auspices of the American Arbitration Association, to be held in Boston, Massachusetts, in English, with a written decision stating and legal reasoning issued by the arbitrator(s) at either party’s request, and with arbitration costs and reasonable documented attorneys’ costs of both parties to be borne by the party that ultimately loses.

Notwithstanding the foregoing, either party may obtain injunctive relief (preliminary or permanent) and orders to compel arbitration or enforce arbitral awards in any court of competent jurisdiction.

If you are involved in a Dispute as a consumer without any commercial interests related to the Dispute, we will agree to conduct arbitration proceedings in a major City in your State if travel to Boston would constitute an undue burden for you, and we will advance any arbitration fees that exceed what you would have had to pay for court proceedings (if you substantiate and represent to us in a written statement what court proceedings would have cost) provided that you shall refund such amounts if we ultimately prevail in the arbitration.

You acknowledge and agree that any claim or dispute arising out of these Terms of Use or your use of the RStudio Services must be brought by you within one year from the date the cause of action first accrued.

The foregoing provision shall survive any termination or expiration of these Terms of Use.

General Terms.

Severability. If any provision of the Terms of Use is found by a court of competent jurisdiction or arbitrator to be illegal, void, or unenforceable, the unenforceable provision will be modified so as to render it enforceable and effective to the maximum extent possible in order to effect the intention of the provision; and if a court or arbitrator finds the modified provision invalid, illegal, void or unenforceable, the validity, legality and enforceability of the remaining provisions of these Terms of Use will not be affected in any way.

You also may be subject to additional terms and conditions that may apply when you use or purchase certain other RStudio services or applications or third-party content or third party software.

No Injunctive Relief. In no event shall you seek or be entitled to rescission, injunctive or other equitable relief, or to enjoin or restrain the operation of the RStudio Service.
